My favorite indulgence is:
Olympic Spa in Korea Town.

I really don't like:
Onions. I really, really, really don't.

My favorite thing about yoga is... *the practice is always evolving and changing, just like us.*

Yoga has really helped me... *grow up and stay a beginner at the same time.*

What inspires you: *The moon.*

My favorite movie is... *Harry Potter. All of them.*

Favorite tunes to practice to: *I am terrible at making music for class. I pretty much play russian roulette with the CD player and hope for the best.*

My favorite TV show is... *ALWAYS Buffy the Vampire Slayer, but I am digging Game of Thrones.*

Do you have any pets? *A dog named Buffy (after the vampire Slayer), and a ball python named Spike (yes, also like from Buffy the Vampire Slayer)*

I found yoga... *at a community college on Oregon.. in a basement, under fluorescent lighting... and it still changed my life.*

When I'm not doing yoga, I can be found...
in my teepee, at the korean spa or hiking up a mountain.
