**Do you have any pets?**

*I have a dog with a purple streak in her hair that matches mine. Her name is Weezie Jefferson and she is a 8-pound black and white pomeranian.*

**The last movie I saw was...** The Girl With The Dragon Tattoo - it was amazing!

**My favorite movie is...** Goodfellas.

**In my opinion, the greatest misconception about yoga is...** *yoga is not a "work out" it's a "work-in"!*

**And the greatest misconception about yoga teachers is...**

*that we are all airy-fairy types: candles and sandals. I love to swear and watch TV.*

**My favorite thing about yoga...** is that no matter how i came to class or in what mood I ALWAYS leave feeling better that when I got there.

**Yoga has really helped me...** be myself and fully embrace who I am: the good, the bad, and all the stuff in between.

**I prepare for class by...** being myself, and thinking about a thought or pose that I would like to pass along to my students.

**I really like...** my job. I feel blessed to be able to teach yoga. I'm lucky that I love what I do.
